

Always on My Mind

Brandy

Oooh...

Always on my mind
You're always on my mind
Thoughts of you all the time
You're always on my mind

Everyday I see you
With loving eyes
I just wanna hold you
And make you mine
If you listen to me now sweet baby
I'll make a promise that you can hold me to

No matter how far
And no matter how wide
I promise baby that I'll stay by your side
Cause in my mind I see you
And I just can seem to shake you
Your sweetness to me is what I'm thinking of

Always on my mind
You're always on my mind
Thoughts of you all the time
You're always on my mind

It's the way you look at me
The sight of you knock me off of my feet
I want to kiss and tell
And get to know you well
Let me introduce my heart to you

No matter how far
And no matter how wide
I promise baby that I'll stay by your side
Cause in my mind I see you
And I just can seem to shake you
Your sweetness to me is what I'm thinking of

Always on my mind
You're always on my mind
Thoughts of you all the time
You're always on my mind

Always on my mind
You're always on my mind
Thoughts of you all the time
You're always on my mind

No matter how far
And no matter how wide
I promise baby that I'll stay by your side
Cause in my mind I see you
And I just can seem to shake you
Your sweetness to me is what I'm thinking of
