Brokenhearted

I'm young but I'm wise enough to know That you don't fall in love overnight, oh yeah That's why I thought if I took my time That everything in love would be right

But as soon as I closed my eyes I was saying to love, "Goodbye"

But I guess I'm only brokenhearted Life's not over I can start again While I'm lonely brokenhearted It's a hurting thing to get over

No more empty conversations Next time I will be totally sure, oh yeah Don't want the pain of falling in and out of love It's more than my poor heart should endure

So I'll listen to all advice And remember each time I cry

That I guess I'm only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over

Only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over (Starting all over again)

Only brokenhearted So I'll listen to all advice And remember each time I cry

Oh, only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over

Only brokenhearted Life's not over I can start again (Starting all over again) While I'm lonely, brokenhearted It's a hurting thing to get over (Starting all over again)

Only brokenhearted Life's not over I can start again While I'm lonely, brokenhearted It's a hurting thing to get over, get over Only
