I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
I'm a put it, I'm a put it, I'm a put it...
I'm a put it down...
If you put it down right like the way I want it
Play your cards right, maybe we can fall in love
If you put it, put it, if you put it down
If you put it, put it, maybe we can fall in love
I'm a put it down, you gon' fall in love
I'm a put it down (down), you gon' fall in love
If you put it, put it, maybe we can fall in love
I'm a put it down, you gon' fall in love
I'm a put it down (down), you gon' fall in love
If you put it, put it, maybe we can fall in love
Ooh your talk game, it's so tough
Damn I love it all
Even the way you flex
That's what turn me on
Ooh you know you make me weak
Just cause the way you are
Cause everybody in here know that you're a star
And yet still I'm letting you know
I got the sweetest heart
Any man that wants this, babe
He gon' have to work hard
From what I see, you got what I want
That's just half the part
Gotta see what you put on it
To make sure you're the one
If you put it down right like the way I want it
Play your cards right, maybe we can fall in love
If you put it, put it, if you put it down
If you put it, put it, maybe we can fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
If you put it, put it, maybe we can fall in love
I'm a put it down, you can' fall in love
I'm a put it down, you can' fall in love
If you put it, put it, maybe we can fall in love
I hope the chivalry ain't dead to you boy cause I'm grown
Gotta pull up, and then come up with that when I see what I want
```

Gotta go old school with me sometimes
Still keep it so, twenty twelve for me
Cause I still beef it all
And yet I still I want you to know
Got the sweetest heart
And even though he can buy that coupe for me
He gon' have to work hard
And now I see, you got what I want
That's just half the part
I gotta feel what you put on it
To make sure you're the one

If you put it down right like the way I want it Play your cards right, maybe we can fall in love If you put it, put it, if you put it down If you put it, put it, maybe we can fall in love

Ain't nobody put it down like me though Why are you playing? girl you know With all this money, and all your cake Girl you better stop, I got a big ego I'm sipping on that brandy That liquor comes in handy And girl I know you fancy But this party I'm financing She told me, it ain't even like that She been hating all night Her friend uptight, alright (So put it down) I took her out the club Told the girl she'd be right back Back to the crib And in the morning all this is worth it Baby go get your hair did Then buy you a couple purses, you just perfect

You, you, you, can be the one I call When I'm having a bad day And I need a shoulder to cry You, you, you, might change the way I feel Teach me how to let the guard down Ain't gon' lie, there's been times Thought the one I had Was the answer to my prayers Come to find out he weren't the truth And I got you, tryna tell me If I let you put it down...

I'm a put it down, you gon' fall in love

If you put it down right like the way I want it Play your cards right, maybe we can fall in love If you put it, put it, put it, if you put it, put it If you put it, put it, maybe we can fall in love
