

# When You Touch Me

Brandy

All I can do is sit and think about  
The way you used to love me  
The way you used to hold me  
And the way you used to touch me  
And all I want is another moment  
I'm waiting and I'm ready  
Touch me

Wish I could hold you just for a little while let me  
I wish I could see you right now but you're so far away  
It's driving me crazy, I'm missing you baby  
And the way you touch me  
It's unlike anything I've ever felt before  
That's how I know I am yours

Now is the time to relax your mind let  
Go and unwind, I've waited for too long, I'm ready  
Tonight's the night for loving you right  
You know what I wanna do  
I wanna give in to you

Really miss you babe and wish you touch me  
I can't hardly wait, till you touch me  
How I want you so  
Thoughts of you make me lose control  
Soon as I see you baby, I'm gonna ask you for sure  
Will you please touch me?

I'm coming to see you, I'm wearing the dress that you like  
I'll be on the first plane, I'll call when I get there  
I promise, I haven't been sleeping, no  
I've been thinking 'bout the way you touch me  
I'm losing all self-control, feels like I'm letting go  
And I'm loving every minute

Now is the time to relax your mind  
Let go and unwind, I've waited for too long, I'm ready  
Tonight's the night for loving you right  
You know what I wanna do  
Wanna give in to you baby

Really miss you babe and ways you touch me  
I can't hardly wait till you touch me  
How I want you so  
Thoughts of you make me lose control  
Soon as I see you baby, I'm gonna ask you for sure  
Will you please touch me?

I'm still here  
I'm still waiting  
What time are you coming?

Day and night, I'm yearning for you  
(For you to touch me)  
I'm thinkin' of you only  
(You are my everything)  
Said I gotta be your lady

(There is nothing that I wouldn't do for you)

You know, really miss you babe and ways you touch me  
I can't hardly wait till you touch me  
How I want you so  
Thoughts of you make me lose control  
Soon as I see you baby, I'm gonna ask you for sure  
Will you please touch me?

Really miss you babe and ways you touch me  
I can't hardly wait till you touch me  
How I want you so  
Thoughts of you make me lose control  
Soon as I see you baby, I'm gonna ask you for sure  
Will you please touch me?

Really miss you babe and ways you touch me
