

Left Out

Brazzaville

What can I do?
I'm lost over you
I'm left out

I sit and I drink
I try not to think
I'm left out

De da de de de da du da de da
De da de de de da du daya
De da de de de da du dayeeeh dahn da

The birds in the trees
Aren't lonely like me
I'm left out
The tides ebb and flow
The morning star glows
I'm left out
