

Old Folks

Brazzaville

So far away, so like a dream
A cup of tea with powdered cream
Or comet dust and subway steam
Or 3 kilos of mangosteen
Ayaaaah ayaaaah mangosteen

An airport lounge in Amsterdam
A summer rainfall in Japan
Your cowboy hat, your lovely tan
With you I'm such a happy man
Ayaaaah Ayaaaah, a happy man

I hope one day I'm old with you
We're holding hands like old folks do
With knobby knees and funny shoes
Yeah, that's the future I would choose
Ayaaaah Ayaaaah I would choose
