Part Time Love

Part-time love I need somebody who's consistent With me Someone already there when I need Company 'cause when l'm feeling low I don't want to have to go out Looking For a part-time kind of love

And when the dreams and rainbows Start to disappear Don't want somebody up and running Out here 'cause when you stop and start Baby it's just too hard upon My heart That part-time kind of love

And I can't take you darling living here Wait and see I want somebody who's committed Now to me Somewhere, someday you'll have To take a chance So if you like the music baby Get up and dance

And if we grow together daring to dream I know we'll find our shares of Peaches and cream And when the juices flow I don't want no no no excuses Just want your full time love For me Just want your full time love For me.
