## **The Guitar Man**

Who draws the crowd and plays so loud Baby it's the guitar man Who's gonna steal the show You know, baby, it's the guitar man

He can make you love He can make you cry He will bring you down Then he'll get you high Somethin' keeps him goin' Miles and miles a day To find another place to play

Night after night who treats you right Baby, it's the guitar man Who's on the radio You go listen to the guitar man

Then he comes to town And you see his face And you think you might Like to take his place Somethin' keeps him driftin' Miles and miles away Searchin' for the songs to play

Then you listen to the music And you sing along You want to get the meaning Out of each and every song Then you find yourself a message And some words to call your own And take them home

He can make you love He can get you high He will bring you down Then he'll make you cry Somethin' keeps him movin' But no one seems to know What it is that makes him go

Then the lights begin to flicker And the sound is getting dim The voice begins to falter And the crowds are getting thin But he never seems to notice He's just got to find Another place to play

Either way Got to play Either way Got to play
