## Breaking Benjamin

What did you say to me  
I'm not a novelty  
You're playing revelry  
But no one's listening  
I am a simple man  
Without a simple plan  
Let's make this easy  
And just get out while we can

I'm the one you want

Hey Ladybug  
You were always on the mind of everyone  
Ladybug  
You're pathetic and I've said it more than once  
Ladybug  
I believe you couldn't reach me where I am  
Where my feet won't hit the ground

The time is passing by  
You're my insecticide  
The pressure's on the rise  
And I'm right on time  
Beautiful enemy  
I'll fix your broken wings  
And let you lie here until  
You fly away from me

I'm the one you want

Hey Ladybug  
You were always on the mind of everyone  
Ladybug  
You're pathetic and I've said it more than once  
Ladybug  
I believe you couldn't reach me where I am  
Where my feet won't hit the ground

What did you say to me  
I'm only here to clip your wings  
You cut me down to size  
I'm only living my life

Ladybug  
You were always on the mind of everyone  
Ladybug  
You're pathetic and I've said it more than once  
Ladybug  
I believe you couldn't reach me where I am  
Where my feet won't hit the ground  
Where my feet won't hit the ground  
Where my feet won't hit the ground  
Where my feet won't hit the ground
