Breaking Benjamin

Topless

Fruit on the vine. You've got yours, And I've got mine. Meat on your bones. They won't know, they won't know.

[Chorus:]
I loathe your face, just get away.
I'm on my knees, fuck you, fuck me.

I'm on my way to feel you dislocate. Safe in your space. I'm open, wide open.

[Chorus]

Like me, like me, like me.

[Chorus]

Me, me, me.
