

Unknown Soldier

Breaking Benjamin

Borderline, dead inside
I don't mind, falling to pieces
Count me in, violence
Let's begin, feeding the sickness
How do I simplify
Dislocate the enemies on the way

Show me what it's like to dream in black and white
So I can leave this world tonight

Full of fear, ever clear
I'll be here, fighting forever
Curious, venomous
You'll find me climbing to heaven
Never mind, turn back time
You'll be fine, I will get left behind

Show me what it's like to dream in black and white
So I can leave this world tonight
Holding on too tight, breathe the breath of life
So I can leave this world behind

It's only hurts just once
They're only broken bones
Hide the hate inside

So I can leave this world behind

Show me what it's like to dream in black and white
So I can leave this world tonight
Holding on too tight, breathe the breath of life
So I can leave this world behind
