

## Water

## Breaking Benjamin

What's all this talk of a notion?  
I'd rather drink from the ocean  
what did you mean when you said no?  
I only want what is best for you  
but I won't ever let you drown  
no I won't ever let you down

[chorus]  
Cause I am my enemy  
the water's up to the knee  
I never wanted nothin' from you  
yes I do, yes I do  
my engine's runnin' on dry  
my head's so fucked up inside  
shut up  
I know  
I said so

There is no way to recover  
you told me there is no other  
the surface is getting hotter  
I'll shove your head under water  
but I won't ever let you drown  
no I won't ever let you down

[chorus 3x]
