

Cold

Breathe Atlantis

Not able to feel
Am I decaying?
Am I withered?
Not able to run
Like a footless eagle
A helpless hero
So I'm not able to face myself
I need you my dear, I need your help, oh no
I was never there for you
And I was never there for you
(I was never there for you
Never there for you)

So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul
So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul

I'm not able to talk
'Bout all my goddamn problems
But it's more than this
I don't know how to find a way out
I need you right now but I feel lost, I'm a fraud
'Cause I was never there for you
I was never there for you

So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul
So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul

Don't want to lose my soul
I don't want to be cold
Don't want to be cold
Don't want to be cold
Don't want to be cold

So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul
So I've tried to be selfless
And oh my God, I was so lost
I don't want to be cold
Don't want to lose my soul

Don't want to lose my soul
