

I've seen myself tonight
While the sky is clear and the stars shine bright
Is my story a tragedy littered with such an irony or will the rest of my life be unique
Am I a shepherd or a sheep
Am I an icon or a thief who has stolen someone else's philosophy of life

Oh
No
I won't
No, I will create my own future stories

I've braced myself to break down these walls but they have not moved at all
I tried to give my best but sometimes it is so hard to leave your nest
So I started something new, something beautiful I can do
To get closer to what I wanted to be
Want to be free
Want to be me
Want to create my own story

Oh
No
I won't
No, I will create my own future stories

Let's try to reach the horizon

Oh
No
I won't
No, I will create my own future stories
