

# Purity

Breathe Atlantis

I veil my mind  
To erase the pictures  
They wanted to implant to infiltrate my sanity  
Am I going insane?  
There's no reason to blame  
The pure inside of me

Am I chosen to die?  
Is my truth just a lie?  
Will the end come soon? So I can lie down and just say goodbye and smile

I won't regret not in heaven nor hell  
Still my death seems to be so unreal  
Now I can feel what it's like  
To be freed from the shackles of life

Lord could you save me from all this control?  
I think the devil's got my fractured soul  
I'm in a rage! Where's my second chance?  
Will I ever awake from this trance?

How could I just deny  
Is it true that I died?  
Will my end come soon? So I can lie down and just say goodbye and smile

I won't regret not in heaven nor hell  
Still my death seems to be so unreal  
Now I can feel what it's like  
To be freed from the shackles of life  
Oh Death seems to be such an easy way to exist  
There are no more sins, no more relapses to resist

Well might this be the bittersweet end?  
Never thought that everything I'd try would end in failure  
I'm in motherfucking misery, is there going to be a fatality?

This is my goddamn destiny  
Can't imagine that there are feelings without a body or soul  
Now there's no more control  
So I seal my own fate and hope that you're going to lead me when it's too late  
You've got everything I am  
And maybe there will be a time to be a true man

My heart is yours  
You're my king and my queen  
My heart is yours don't matter who I have been

I won't regret not in heaven nor hell  
Still my death seems to be so unreal  
Now I can feel what it's like  
To be freed from the shackles of life  
Oh Death seems to be such an easy way  
To exist  
There are no more sins, no more relapses to resist
