

(Better, better)  
(Better, better)

All we ever do  
Is let each other down (let each other down)  
The old me never knew  
We'll be buried in the ground (buried in the ground)

And I don't think we'll make it through the night  
It's alright  
At least no one can say we didn't try  
It's alright

Maybe we could love each other better  
If we're not together (not together)  
Maybe we could love each other better  
If we're not together (not together)  
No need to cry  
'Cause we had our time  
Now it's all over, lost our way  
Maybe we could love each other better  
If we're not together (not together)

All you listen to  
Is friends from out of town (friends from out of town)  
I've been on it too  
Got my ears on the ground (on the ground)

And I don't think we'll make it through the night  
It's alright  
At least no one can say we didn't try  
It's alright

Maybe we could love each other better  
If we're not together (not together)  
Maybe we could love each other better  
If we're not together (not together)  
No need to cry  
'Cause we had our time  
Now it's all over, lost our way  
Maybe we could love each other better  
If we're not together (not together)

Maybe we could love each other better  
If we're not together (not together)  
Maybe we could love each other better  
If we're not together (not together)  
No need to cry  
'Cause we had our time
