

Dead

Breathe Carolina

But I'd rather be dead, yeah
It started when we met, oh-oh-oh
And now I'm feeling ill
No, I don't need no pills
'Cause I'd rather be dead, oh-oh-oh

I used to fantasize about us together
Couldn't wait to turn the lights down
You push me to the side like I'm whatever
How you fucking up my life now

You move like fire, burning
Spent my lifetime searching
For someone that feels like you

But I'd rather be dead, yeah
It started when we met, oh-oh-oh
And now I'm feeling ill
No, I don't need no pills
'Cause I'd rather be dead, oh-oh-oh

I hope these side effects don't last forever
Trying to find a way to cut down, yeah
'Cause I can't keep on choking under pressure
Why this happen every time now

You move like fire, burning
Spent my lifetime searching
For someone that feels like you

But I'd rather be dead, yeah
It started when we met, oh-oh-oh
And now I'm feeling ill
No, I don't need no pills
'Cause I'd rather be dead, oh-oh-oh

(I'd rather be dead
I'd rather be dead
I'd rather be dead)

You move like fire, burning
Spent my lifetime searching
For someone that feels like you

But I'd rather be dead, yeah
It started when we met, oh-oh-oh
And now I'm feeling ill
No, I don't need no pills
'Cause I'd rather be dead, oh-oh-oh

(I'd rather be
I'd rather be
I'd rather be dead)
