

Drive

Breathe Carolina

Used to drive around in this parking lot
Still sounds like you here but I know you're not
Somewhere down the road I guess you forgot
How I helped you grow, damn, it hurts a lot

How you feeling now? Tell me the truth
Hope that it's worth it, yeah, I'm praying for you
I don't give a fuck what you go and do
As long as it ain't with me

Used to drive around in this parking lot
Still sounds like you here but I know you're not
Somewhere down the road I guess you forgot
How I helped you grow, damn, it hurts a lot

Used to drive around in this parking lot...
Still sounds like you here but I know you're not...

You like it and that hurts the most
You know, you know, I'm...
Still driving, nowhere to go

How you feeling now? Tell me the truth
Hope that it's worth it, yeah, I'm praying for you
I don't give a fuck what you go and do
As long as it ain't with me

Used to drive around in this parking lot
Still sounds like you here but I know you're not
Somewhere down the road I guess you forgot
How I helped you grow, damn, it hurts a lot

Used to drive around in this parking lot...
Still sounds like you here but I know you're not...

How you feeling now? Tell me the truth
Hope that it's worth it, yeah, I'm praying for you
I don't give a fuck what you go and do
As long as it ain't with me

Used to drive around in this parking lot

Used to drive around in this parking lot
Still sounds like you here but I know you're not
Somewhere down the road I guess you forgot
How I helped you grow, damn, it hurts a lot

Used to drive around in this parking lot...
(You know that, you know that
You know that, you know that
You know that, you know that...)
Still sounds like you here but I know you're not...
(You know that, you know that
You know that, you know that

You know that, you know that
You know that, you know that
You know that, you know that
You know that, you know that...)
