

It's harder to stay out there in the rain
I've just been waiting for July
Do you feel the same,
Or am I to blame?
Our passionate wave has gone goodbye

And I'm scared of what it means
'Cause you don't hear me scream
It's getting hard to breathe
If you could only see

I'm alright
You're probably thinking I'm just fine
Your hands around my neck so tight
Choking, willing to compromise
Everything for you
I'm alright
You're probably thinking I'm just fine
Your hands around my neck so tight
Choking, willing to compromise
Everything for you

Let's call it a day, I'm sick of the rain
I just feel safer locked inside

Here come the waves, they're crashing again
Nothing but deserts in your eyes

And I'm scared of what it means
'Cause you don't hear me scream
It's getting hard to breathe
If you could only see

I'm alright
You're probably thinking I'm just fine
Your hands around my neck so tight
Choking, willing to compromise
Everything for you
I'm alright
You're probably thinking I'm just fine
Your hands around my neck so tight
Choking, willing to compromise
Everything for you

I'm alright
You're probably thinking I'm just fine
Your hands around my neck so tight
Choking, willing to compromise
Everything for you
