

The Birds And The Bees

Breathe Carolina

I hope you know I swear to god
I hope you know that this won't stop
(god damn, just another heartbreak)

I swear to god I won't stop until your shakin
Trust me baby you know I want you to
And let me slide into you please baby
And if you're screamin, than I'm screamin too
If you want it let me bring it, let me sneak into your house to
night

Breathe in
And I'm coming to these terms that my heart won't beat anymore
I just can't get it
Sing along sing if you want, ten more seconds till we're through
the door.
And it's a dance party everyone's looking for, been drinkin ton
ight and I won't stop, when it's a quarter to four daylight is
breakin

I'll call you in the morning if you think it's right
Is it over? is it over...
It was a dance party, everyone looked just right, I played you
all night, would you believe me if I told you that I want you,
and everyday I felt this way? would you take me to the place yo
u know the one that leaves me all alone... wait right here just
for a minute we'll talk a little just about it
I will take it slow, I won't let you go.
