

## ARCHIVE MAMI

Bree Runway

You think I'm too much but you're not enough  
Living my life, it's so glamorous  
Yes, I'm that bitch, fuck the cameras  
Superstar, uh, I'm a natural  
And yes, my ass is fat and it's all mine  
And yes, I'm gorgeous, I'm black at all times  
And if you say I am a nobody offline  
Why the hell Gaultier send me shit from the archive?

And if you say I am a nobody offline  
Why the hell Gaultier send me shit from the archive?  
And if you say I am a nobody offline  
Why the hell Gaultier send me shit from the archive?
