I knew that I was for ya, ever since I saw ya  
But I thought my love couldn't afford ya (uh I)

But I feel our love is so  
Incredible, that I need [?] (ohhh I)

[?] spirits of your exes calling  
Insecurities whispering oh how less enduring  
But what's less important honey? Almost everything

Better job, better wage, more money lesser [?]  
If it ends ain't no flowers and some chocolates imma be a [?]  
As crazy as it may seem [?] Jay-Z  
But I'm just fucking crazy about you and if you ever left me lo

However there's a beauty to this madness  
Tip-toeing on egg shells cause you're way above average

But um, holidays are coming  
What you doin'? Nothing?  
I was thinking we could make some loving  
No? Way too stubborn
