My Mind

Bree Runway

I get the feeling, that you're coming out tonight boy
So I got to look alright boy, forget that I look fire boy

Don't be deceiving, acting like you don't wanna see me too
I know the other day was kinda [?]
No mas cause nobody knows what we been through

But this joint is jumpin', is jumpin' (ahh)
[?] the rhythm and the blues is somethin'
My girls are jumpin', they up to somethin' (ahh)
I look over to you and I'm nothing
I knew that I'd see ya but you're more like Sia
I want to [?] cause you know I'm a diva
But trust me its nothing eh nothing

But whatever I do I just can't seem to get you out of my mind...

My Mind (my mind), my mind (my mind), my mind (my mind)
You've been running through my mind
My mind (my mind), my mind (my mind), my mind (my mind)
You've been running through my mind, (mind)
You've been running through my mind, mind (you've been running)
You've been running through my mind
My mind, mind

Woaaah
The night's kinda dizzy
Baby I'm huhhhhh
The girls' hold me up now (too much fuckers not water)
But this is good at least I'll forget it tomorrow
Look at you, you still ain't come over

But this joint is jumpin', is jumpin' (ahh)
[?] the rhythm and the blues is somethin' (ahh)
My girls are jumpin', they up to somethin' (ahh)
I look over to you and I'm nothing
I knew that I'd see ya but you're more like Sia
I want to [?] cause you know I'm a diva
But trust me its nothing eh nothing

But whatever I do I just can't seem to get you out of my mind...

My Mind (my mind), my mind (my mind), my mind (my mind)
You've been running through my mind
My mind (my mind), my mind (my mind), my mind (my mind)
You've been running through my mind (mind)
You've been running through my mind, mind (you've been running)
You've been running through my mind
My mind, my mind, mind

You, you, you
You've been runnin' from
You, you, you (hey)
My mind
You, you, you
You've been runnin' through my
You, you, you (uh)

```
My mind
You, you, you (you)
You, you, you (you)
You, you, you
You've been runnin' through my mind
```
