

Ecstasy  
That's how you feel when you're next to me  
Don't try to come and have sex with me  
Only lies straight on when you're in bed with me  
Ecstasy  
That's how you feel when you're next to me  
Don't try to come and have sex with me  
Only lies straight on when you're in bed with me

You want a piece of me?  
Eyes white like my nights  
Hot, hot like July  
Who's that girl in your Instagram comments?  
Put my gloves on, I'mma fight  
She dim on my light  
Call right I'mma flight  
Ain't nowhere you gon' go to Paris  
Bitch, you back to Michael Kors once a night

Ugh, I need a damn massage  
You've been revving up my shit like a foreign car  
You was real low then I raised the bar  
Oh you Hollywood now, get a superstar  
Ugh, it's about respect you all  
Don't be using that shit for some X and Os  
For some village ass bitches, I'm a capital  
You gon' regret when you use a bass [?]

Ecstasy  
That's how you feel when you're next to me  
Don't try to come and have sex with me  
Only lies straight on when you're in bed with me  
Ecstasy  
That's how you feel when you're next to me  
Don't try to come and have sex with me  
Only lies straight on when you're in bed with me

You want a piece of me?

Ecstasy, e-e-e-e  
Ecstasy, e-e-e-e (Uh!)  
Ecstasy, e-e-e-e  
Ecstasy, e-e-e-e

Feel the mo-, feel the mo-, feel the motion  
Feel the motion, ooh, feel the motion  
Take it off, wanna see, really motion  
You're my high, you so right, feel the moment  
Show me your flaws, fuck all the Balenciaga Diors  
I want it all, give me the paradise I'm looking for  
You can explore, my invitation, you open the door  
Can you afford? Expensive emotions for such a couture

Perfect  
Uh!  
Ecstasy  
That's how you feel when you're next to me

Don't try to come and have sex with me  
Only lies straight on when you're in bed with me  
Ecstasy  
That's how you feel when you're next to me  
Don't try to come and have sex with me  
Only lies straight on when you're in bed with me
