

Don't Look At Me

BRELAND

It's funny how you think I have a problem sleeping on the couch
Got another thing comin if you think we can work it out right now

Walking in here with a bottle of wine it's the same little move
that you use every time
Making me the kind of offer I ain't strong enough to turn down

Don't look at me like that
Nothing on but a smile and a cowboy hat
I'm tryin to stay mad
But you're showing off everything I could have
You're making me stare
You're not playing fair
It's hard to be angry when I want you so bad
So don't you look at me like that

Baby I know what you're about to drop the needle on
Something about Jimmy or Prince or The Rolling Stones
You know every trick in the book
You're slick with the looks that you give is so hard to resist
How you're dancing around I ain't gonna hold out for long

Come on, don't you look at me like that
Nothing on but a smile and a cowboy hat
I'm tryin to stay mad
But you're showing off everything I could have
You're making me stare
You're not playing fair
It's hard to be angry when I want you so bad
So don't you look at me like that

With your hair in your face ain't no pumping these breaks
Got me thinking maybe I was wrong
But don't you, don't look at me like that
Nothing on but a smile and a cowboy hat
I'm tryin to stay mad
But you're showing off everything I could have
You're making me stare
You're not playing fair
It's hard to be angry when I want you so bad
So don't you look at me like that
Now don't you look at me
Don't you look at me like that
