

Here For It

BRELAND

I've been texting, I've been calling
Haven't heard from you in weeks
You ain't off the grid too often
Why my message turning green

So what you do? You lose your job, crash your car?
Are you stuck at home with a broken heart
'Cause misery loves company and if that's what you need
Then you can go and lay it all on me

You know I'm here for it
Got a whiskey and a beer for it
Or if you wanna have a dead sober, head shoulder
Cry-it-out kinda night
You know I'm good for it
Dropping knuckles on the wood for it
Anytime you need a pick-me-up, hit me up
I'll be waiting right outside

You know I'm here for it (here for it)
You know I'm here for it (here for it)

It could be 110 in August
Ain't no sweat I'm coming through
Even if the snow is falling
I'll strap rackets on my boots

You know there ain't a mountain high, river wide
Or a airline that I wouldn't fly
'Cause misery loves company and if that's what you need
Then you can go and lay it all on me

You know I'm here for it
Got a whiskey and a beer for it
Or if you wanna have a dead sober, head shoulder
Cry-it-out kinda night
You know I'm good for it
Dropping knuckles on the wood for it
Anytime you need a pick-me-up, hit me up
I'll be waiting right outside

You know I'm here for it (here for it) yeah (uh-huh)
You know I'm here for it (here for it) yeah, oh I'm on the day
Yeah, you know I'm here for it (here for it) yeah
You know I'm here for it (here for it) ooh yeah, ooh

You know I'm here for it (here for it)
Got a whiskey and a beer for it (got a whiskey and a beer for it)
Or if you wanna have a dead sober, head shoulder
Cry-it-out kinda night
You know I'm good for it
Dropping knuckles on the wood for it
Anytime you need a pick-me-up, hit me up
I'll be waiting right outside

You know I'm here for it (I'm here for it) uh-huh, ooh, yeah
You know I'm here for it (you know I'm here for it) I'm all the way, I'm all
