

# Throw It Back

BRELAND

If she get a shot of whiskey she know how to throw it back  
She turn up for Elvis Presley, told the DJ, "Throw it back"  
She look better every Thursday she don't have to throw it back  
Shorty got me catching feelings, I just hope she throw it back

Throw it, throw it back  
Drop it low, you can blame it on the Jack  
Slow it down, girl, I'm tryna make it last, ay  
If you sexy and you know it, make it clap  
Throw it, throw it, throw it back

I threw it on back but nothing says summer like the way she make me feel (fe  
el)  
A tall glass of natural woman, I can tell that she keep it real (she keep it  
real, yeah)  
A green light, she give it to ya, gotta get it 'fore it turn red  
Hotter than a flame, I barely know her name, but I'm damn sure willing to be  
t

If she get a shot of whiskey she know how to throw it back  
She turn up for Elvis Presley, told the DJ, "Throw it back"  
She look better every Thursday she don't have to throw it back  
Shorty got me catching feelings, I just hope she throw it back

Throw it, throw it back  
Drop it low, you can blame it on the Jack  
Slow it down, girl, I'm tryna make it last, ay  
If you sexy and you know it, make it clap  
Throw it, throw it

Gotta thank Jesus making them peaches  
Georgia bulldog, got me SEC-sick  
She on that wave and I'm deep in  
Tryna buy another round

Throw it back  
Let me see the levee-breaking Chevy super heavy-duty  
Toot toot, what it do do, bad  
Bubble bubble you been eating your McDoubles  
And it's trouble for me

If she get a shot of whiskey she know how to throw it back  
She turn up for Elvis Presley, told the DJ, "Throw it back"  
She look better every Thursday she don't have to throw it back  
Shorty got me catching feelings, I just hope she throw it back

Throw it, throw it back  
Drop it low, you can blame it on the Jack  
Slow it down, girl, I'm tryna make it last, ay  
If you sexy and you know it, make it clap  
Throw it, throw it, throw it back
