

# Gracious

Bren Joy

See the way you stand closer to me  
I'm catching your cologne  
How you linger in my car  
Long after I would drive you home  
Thinking of all that I'd do  
If I got you alone  
So we can't be alone

See my symptoms are simply psychotic  
Pacing round my room  
This that the third and some more  
Is what I'd give to you  
But in my mind you know that I'd  
Be calling you if I could

Yeah you know I'd be gracious  
Grace me with your presence  
I ain't got no patience  
How long I been waiting  
You know I'd be

Who gave you permission to  
Be this fine all the time  
If your boo dropped dead at noon  
By 1pm you would be mine  
Looking at you baby and I swear that I could  
Cry  
Swimming through your eyes

See I been thinking bout you been thinking  
Bout us  
Been giving you space  
Visions of your hands around my waist  
Sometimes love still ain't enough  
And baby that's a shame

Cause you know I'd be gracious  
Grace me with your presence  
I ain't got no patience  
How long I been waiting  
Yeah you know

Got me feeling Godly  
Water on my feet  
Slip up out them clothes into Valentino pink  
Hop up on my shoulder  
Come and take a lean  
Feet up when they sweep  
Careful where we creep

Got me feeling Godly  
Eye of my beholder  
Let me in your sheets  
Hop up on my shoulder  
Come and take a lean  
Feet up when they sweep  
Careful where we creep
