

Insecure

Bren Joy

[Verse 1: Bren Joy]

So indecisive, I hate it then like it
Show all my cards, then try to hide 'em
Makin' it hard when it should be easy
I'm fallin' apart so I can give you the pieces

[Pre-Chorus: Bren Joy]

Can't turn off my mind and think 'bout somebody else
So obsessed with lovin' you, I can't help myself

[Chorus: Bren Joy]

Will you be there in the mornin'? Callin'?
Makin' sure I'm good
When I hit you in the evenin' feelin' way too insecure
And baby, if I fall, I wanna land right in your bed
So you could tell me in the mornin', "You trippin'"
"How could you be so in your head?"

[Refrain: Bren Joy]

(Ooh-oooh-oooh, ooh-oooh-oooh)
(Ooh-oooh-oooh, ooh-oooh)

[Verse 2: Pink Sweat\$]

Feelings in my face that I can't ignore
Can't say these are things that I faced before
Don't know what to do when I'm out with you
Love you so hard, it's uncomfortable, yeah

[Pre-Chorus: Pink Sweat\$]

Can't turn down my mind and think 'bout somebody else
So obsessed with lovin' you, I can't help myself

[Chorus: Pink Sweat\$]

Will you be there in the mornin'? Callin'?
Makin' sure I'm good
And when I hit you in the evenin' feelin' way too insecure
And baby, if I fall, I wanna land right in your bed
So you could tell me in the mornin', "You trippin'"
"How could you be so in your head?"

[Refrain: Bren Joy & Pink Sweat\$]

(Ooh-oooh-oooh, ooh-oooh-oooh) Ooh, yeah
(Ooh-oooh-oooh, ooh-oooh)
Oh, oh, baby, if I fall, I wanna land right in your bed
So you could tell me in the mornin', "You trippin'"
"How could you be so in your head?"

[Chorus: Bren Joy]

Will you be there in the mornin'? Callin'?
Makin' sure I'm good
And when I hit you in the evenin' feelin' way too insecure
And baby, if I fall, I wanna land right in your bed
So you could tell me in the mornin', "You trippin'"
"How could you be so in your head?"
