

# SKIN

Bren Joy

Skin  
Sweeter than chocolate and mint  
Touch feel the rush from your sin  
And your scent  
Makes perfect sense  
just wish you would want me right now

Skin  
Trigger warnin when I'm fuckin with you  
67 with a touch of a two  
Dealing and folding  
But I need to hold you right now

Laps around you burning tires  
NASCAR I'm a driver  
Wading through your bluer water  
You the deep sea I'm 'a dive in  
Got you singing like a siren  
You're cannon I'm Mariah  
If God is woman you're messiah (Ooh)

I need your skin  
You taste so sweet  
Giving me good  
Touch of your candy  
Paint on my hood  
Apples and weed  
Chronically in  
Into your body  
I need your  
Skin

Skin  
Linger of oranges and gin  
87 different things we could do  
You're bluffin I'm callin  
And you got me all in right now
