

You Can Cry On My Shoulder

Brenda Holloway

Just because you know I love you so much
Don't be afraid to tell me you're sad because you've lost her love
Though your love is not for me
I don't wanna see you in misery
So come on, baby baby come on

You can cry on my shoulder, you can cry on my shoulder
And bring all your troubles to me, to me

A man ain't supposed to cry; if you do I'll understand
And maybe I can show you how you can win her love again
It may seem strange, I know

But it's just that I love you so
Come on, baby come on

You can cry on my shoulder, you can cry on my shoulder

Now you've given her all you had
She'd better stop treating you so bad
So come on, baby baby come on

You can cry on my shoulder, yes you can
And bring all your troubles to me

You can cry on my shoulder, you can cry on my shoulder
You can cry on my shoulder, yes you can
