

Help Yourself

Brenda Lee

Love is like candy on a shelf
You wanna taste then help yourself
The sweetest things are there for you
A help yourself, a take a few
A that's what I want a you to do

We're always told repeatedly
The very best in life is free
And if you want to prove it's true
A baby I'm a telling you
A this is what a you should do

Just help yourself to my lips, a to my arms
Say the word and they are yours
Just help yourself to the love in my heart
Your smile has opened up a door
You know, the greatest wealth that exists in the world
Could never buy what I can give
So help yourself to my lips, to my arms
And then let's really start to live

My heart has a love enough for two
More than enough for me and you
I'm rich with love, a millionaire
I've so much, you know, it's unfair
So why don't you a take a share?

And just help yourself to my lips, a to my arms
You better say the word and they'll be yours, yeah
Help yourself to the love in my heart
You know, your smile has opened up my door
I said, the greatest wealth that exists in this old world
You know, it could never buy what I can give
So you just a help yourself a to my lips, a to my arms
And then we'll really, really start to live

You better help yourself to my lips, a to my arms
Say the word and they are yours
Well, help yourself to the love in this old heart
You know your smile has opened, opened up my door
I said, the greatest wealth, the greatest wealth that exists in
the world
Could never buy what I can give
I told you, help yourself...
