

# My Whole World Is Falling Down

Brenda Lee

My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby

Told me that your love for me was true  
Said you'd love me your whole life through  
But now you're asking me to set you free  
You've found some body you love more than me

My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby

I miss your loving that was so fine  
I need it, I need it all of the time  
For I still love you in the same old way  
Yet I'm losing you a little every day

My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby

My whole world is falling down, falling down, falling down  
My whole world is falling down, I'm losing my baby
