Proud Mary

Brenda Lee

Left a good job in the city
Working for the man both night and day
But I never lost a minute of sleep
Worrying 'bout the way things might have been

Big wheel, keep on turning Proud Mary, keep on burning Rolling, rolling, rolling on the river

Cleaned a lot of plates in Memphis
I said I pumped a lot of tan in New Orleans
But I never saw the good side of a city
Till I hitched a ride on a riverboat queen

I said you know that I'm rolling, rolling You know that I'm rolling' on the river

Rolling, rolling, rolling on the river

If you come down to the city

Bet you gonna find some people who live

You don't have to live if you ain't got no money

People on the river that know how to give

You know I said that I'm rolling, rolling
I'm rolling on the river
I gotta keep on turning, burning, rolling down the river...
