

# Somewhere

Brenda Lee

There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere

There's a time for us  
Someday, a time for us  
Time together with time to spare  
Time to learn  
Time to care  
Someday  
Somewhere  
We'll find a new way of living  
We'll find a new way of giving  
Somewhere

There's a place for us  
Much time and a place for us  
Hold my hand and we're halfway there  
Hold my hand and I'll take you there  
Someday  
Somehow  
Somewhere
