

# You're The First, The Last, My Everything

Brenda Lee

You're the first, the last, my everything  
And the answer to all my dreams  
You're my joy, my moon  
My guiding star my kind of wonderful that's what you are

I know that there's only  
Only one like you there's no way they could have made two  
Yes, you all I'm living for  
Your love I'll keep forever more  
You're the first, you're the last, my everything

In you, I found so many things  
A love so new only you could bring  
Can't you see its new  
You make me feel this way  
You're like the fresh falling dew, on a brand new day

I've seen so many ways that I can love you till the day that I  
die  
You're my reality then lost in love dreams

You're the first, my last, my everything  
You're the first, my last, my everything  
You're the first, my last, my everything
