

A Little Bit Of Love

Brenda Russell

A little bit of love can go a long long way
But what you're thinking of
Should maybe start today, start today
Start today, start today
You know it's not too late

No, it's not too late, no it's not too late
Well, it's not too late, no it's not too late

Well, I met a man today
Who cannot change his life
You know the caption of his ways
He blames all for his plight

Well, he just perceives them all
Giving life to flaws and he cannot hear his song
The melody of course start today, start today, start today
You know it's not too late

No, it's not too late, no it's not too late
Well it's not too late, no it's not too late
No, it's not too late

Everybody sing my little song now
Everybody sing my little song now
Everybody sing along with me

A little bit of love can go a long long way
But what you're thinking of
Better start today, start today start today
Oh yeah, start today, you know it's not too late
It's not too late, I said it's not too late
No, it's not too late

Not too late, not too late, it's not too late
Little bit of love goes a long long way
Never too late, never too late, never too late
Little bit of love
It's not too late, it's not too late
It's not too late, it's not too late
