

# Dinner With Gershwin

Brenda Russell

I wanna have dinner with Gershwin  
I wanna watch Rembrandt sketch  
I wanna talk theory with Curie  
Impossible I guess

I wanna talk moods with Picasso  
On a rendezvous  
I wanna fly double with Earhart  
I wanna get next to you  
Next to you

So close  
Just as close as I can get  
The rain of your worry  
Can't effect  
What I feel is what I feel

One touch  
Of your greatness  
Is all I need  
My circle of fantasy  
Would be complete

I wanna sing hymns with Mahalia  
When the day is through  
I wanna tell you about it  
I wanna get next to you  
Next to you

So close  
Just as close as I can get  
The rain of your worry  
Can't effect  
What I feel is what I feel

One touch  
Of your greatness  
Is all I need  
My circle of fantasy  
Would be complete

So close  
Just as close as I can get  
The rain of your worries  
Can't effect  
What I feel is what I feel

One touch  
Of your greatness  
Is all I need  
My circle of fantasy  
Would be complete

I wanna have dinner with Gershwin  
I wanna watch Rembrandt sketch  
I wanna talk theory with Curie  
I wanna get next to you

Next to you, yeah yeah

I'm gonna get next to you  
Come on girl, get on board, I got to go  
I wanna get next to you, oh baby  
I wanna be, I wanna get next to you  
I got to go  
I'm gonna get next to you  
Come on girl, get on board, I got to go
