

Hardbass Junkie

Brennan Heart

Ha-ha-ha-hardbass junkie!

I'm a hardbass junkie and I need my fix
I'm addicted to rhythm made of monster kicks
Giving more satisfaction than my porno flicks
Don't give me no shit or I'm on your six

I'm a hardbass junkie and I need to score
Getting high on the music and I just want more
With my hands in the air and my feet on the floor
I'm a motherfucking force that they can't ignore

I'm a hardbass junkie and I need my fix
I'm addicted to rhythm made of monster kicks
Giving more satisfaction than my porno flicks
Don't give me no shit or I'm on your six

I'm a hardbass junkie!

I'm a hardbass junkie!
