

Hold On To Tomorrow

Brennan Heart

See all the lights
They all shine across the sky

They need for the night
To be so dark to catch your eye

Like the sun needs the rain
And love will need some pain
It will be alright
The sum is greater than the parts

We're going to hold on to tomorrow
Moving on from yesterday
We're going to leave behind our sorrows
Break it so it fades away

You will find someone so please dream on
We're going to hold on to tomorrow
It's always darkest before the dawn

Hold on, hold on
Hold on, hold on
It's always darkest before the dawn

We're going to hold on to tomorrow
Moving on from yesterday
We're going to leave behind our sorrows
Break it so it fades away

Hold on, hold on
Hold on
Hold on, hold on
It's always darkest before the dawn

It's always darkest before the dawn
