

# Lose My Mind

Brennan Heart

Down and out with my dumb friends, ready to misbehave  
Forget about Monday to Friday, cause I've been working like a slave  
Creepin' towards the weekend, MDM Able to shine  
Bringing me down to the deep end, back off, back off!  
And let me lose my mind.

Back off, back off!

And let me lose my mind

Down and out with my dumb friends, ready to misbehave  
Forget about Monday to Friday, 'cause I've been working like a slave  
Creepin' towards the weekend, MDM Able to shine  
Bringing me down to the deep end, back off, back off!  
And let me lose my mind.

And let me lose my mind
