

Outta My Way

Brennan Heart

Now I can lay low for quite sometime
But when you cross the line
You watch me get hostile

Fuck you, suck my middle finger motherfucker
Watch me and I'mma run you over like a trucker
I wanna live my dreams
The limit ain't the sky
So get the fuck outta my way or just die

Get the fuck outta my way or just die

So many motherfuckers cramping my style
Cover up lies with a fake ass smile
Now I can lay low for quite sometime
But when you cross the line
You watch me get hostile

Fuck you, suck my middle finger motherfucker
Watch me and I'mma run you over like a trucker
I wanna live my dreams
The limit ain't the sky
So get the fuck outta my way or just die
Get the fuck outta my way or just die

(Get, get, get the fuck)

Now I can lay low for quite sometime
But when you cross the line you watch me get hostile

Fuck you, suck my middle finger motherfucker
Watch me and I'mma run you over like a trucker
I wanna live my dreams
The limit ain't the sky
So get the fuck outta my way or just die
Get the fuck outta my way or just die
