

Insecure

Brent Faiyaz

She said
You can't know what I've done
You can't go where I'm from
Your lips can lie
But your eyes can't hide you're too young
You're too young

How I adore our love would be so true
I just wish you knew
I'd be all yours if my mind didn't wander, I've got scars
From a life before you

Please don't think I'm insecure
I just can't trust no one else
Please don't think I'm insecure
I just feel safe by myself

She said
You can't know where I've gone
Or how far I've run
There's a reason why I can't apply all of me
Baby I ain't the one

How I adore our love would be so true
I just wish you knew
I'd be all yours if my mind didn't wander, I've got scars
From a life before you

Please don't think I'm insecure
I just can't trust no one else
Please don't think I'm insecure
I just feel safe by myself

Tali you better hit- you can see

Fucked up
A lot of times
We got a couple chicks, we used to have, fucking, word about one of them
Oh wait, so, it- it- something happened with it? It's not-?
Nah basically, like, like I'll have a chick right and I'll just be fucking her, and just so invested in fucking her but I don't give her like no relationship 'cause I don't want to do that
So this one stopped fucking with you?
Yeah she stopped fucking with me and then, ahh no this is not right nah
