I bet you wish that I was still right there, used to live right there
Now I'm everywhere, got bitches everywhere
I'm so debonair, I'm a millionaire
I act like I don't care, that's 'cause I don't care
Still right there, used to live right there
Now I'm everywhere, got bitches everywhere
I'm so debonair, I'm a millionaire
I act like I don't care, that's 'cause I don't care

Money come in, but you can't lose it, oh

Still right there, used to live right there
Now I'm everywhere, got bitches everywhere
I'm so debonair, I'm a millionaire (Thank God)
I act like I don't care (Yeah, uh), that's 'cause I don't care

I can't fail, baby, I'm a go-getter (Go-getter, oh, girl)

She can't leave me 'lone, she can't do no better (Do no better)
I love all my hoes, I love money better (Money better)
Ten bands, twenty bands, bet I stash that
Tables turn, bridges burn, live and learn
Fuckin' bad bitches, money first, wait your turn
I be goin' up, livin' different, niggas know it
I like my cup, I love my mom, I hate the feds (Hate the feds)
I'm in my city where they praise me like I'm dead (Like I'm dead)
I miss my bitch but I don't miss her like my dead homie (Like my dead homie)
I don't fuck with presidents until they dead on it

I bet you wish that I was still right there, used to live right there
Now I'm everywhere, got bitches everywhere
I'm so debonair, I'm a millionaire
I act like I don't care, that's 'cause I don't care
Still right there, used to live right there
Now I'm everywhere, got bitches everywhere
I'm so debonair, I'm a millionaire
I act like I don't care, that's 'cause I don't care
