

Peter Pan.

Brent Faiyaz

I gotta fly to London tomorrow
Probably should be packing, but
My life's a lil' shit off
I been thinkin' about you

I wish that I could fly
I'd go everywhere and look over you
Spend my night in the air to be close to you

I wish I could be there
I would love you inside out
Wish that I could be there
Can you let me in right now?

Darling, open up your window
And take my hand 'cause it ain't nowhere we can't go
Just you and I, leave it all behind
Starin' in your eyes, between your thighs 'til the sun shines

If I could be there
I would love you inside out
I could be there
Can you let me in right now?
Now that we here
I would love you inside out
Let me be clear
Can you let me in right now?

I don't know what it is, but
Apparently my imagination runnin' wild like this
It's like

I wish that I could breathe underwater
I'll swim through the deepest ocean to be where you are, babe

If I could be there
I would love you inside out
Wish that I could be there
Can you let me in right now? (Oh)

Open
Darling, open up your window
Take my, and take my hand 'cause it ain't nowhere we can't go
You and I, leave it all behind
Starin' in your eyes, between your thighs 'til the sun shines

If I could be there
I would love you inside out
If I could be there
Can you let me in right now?
Now that we here
I would love you inside out
Let me be clear
Can you let me in right now? (Clear)
