

Psychotic Reaction

Brenton Wood

I want to say a few words to all you young girls out there
Yeah you're too much
First you try casting your spell on a guy with a little oogum b
oogum boogum
And if that don't do you try a little "spukakupuse spukaupuse s
upukakupu"
And if that don't do you give 'em a psychotic reaction
And it goes something like this

I feel depressed, I feel so bad
Cuz you're the best girl that I've ever had
And I can't get your love, I can't get satisfaction
Hey little girl psychotic reaction

I feel depressed, I feel so bad
I feel depressed, I feel so bad
I feel depressed, I feel so bad
Feel depressed, I feel so bad
I need your love, give it to me
Give it to me, give it to me
Gimme, gimme, gimme, gimme
Gimme, gimme, gimme, gimme, gimme, gimme, gimme, gimme...
Give me your love, give me your love

Babe, I feel so lonely night and day
And I can't get your love, I must stay away
Babe, I need you, baby, by my side
C'mon, little girl, let me take you for a ride now
Cuz I can't get your love, I can't get satisfaction
Hey little girl psychotic reaction
