

# Get Your Rock On

Bret Michaels

Take your clothes off  
Take your clothes off  
Take your clothes off  
You gotta take em' off to get your rock on

So walk the walk  
Talk the talk  
Quit bitchin' about the things things baby you ain't got  
You need to put it on  
Or take it off  
Better use it up  
Because when it's gone it's gone

So raise your hands  
Find your groove  
Slam me down  
I'm 160 proof  
Livin' large, livin' free  
Love is gonna make it  
That's what I believe  
Singin' songs, jager bombs  
Makin' love on the beach by the break of dawn  
Raise a toast, til' it's gone  
To get your rocks off baby  
You gotta get your rock on

Yeah, you like it nasty baby  
Yeah, you like it nasty baby  
Yeah, you like it nasty baby  
If you know what you like just ask me baby

So walk the walk  
Talk the talk  
Quit bitchin' about the things things baby you ain't got  
You need to put it on  
Or take it off  
Better use it up  
Because when it's gone it's gone

So raise your hands  
Find your groove  
Slam me down  
I'm 150 proof  
Livin' large, livin' free  
Love is gonna make it  
That's what I believe  
Singin' songs, jager bombs  
Makin' love on the beach by the break of dawn  
Raise a toast, til' it's gone  
To get your rocks off baby  
You gotta get your rock on

Life is full of taken  
So baby let's start this show  
All that money you're makin'  
Can't take it with you when you go

So raise your hands  
Find your groove  
Slam me down  
I'm 150 proof  
Livin' large, livin' free  
Love is gonna make it  
That's what I believe  
Singin' songs, jager bombs  
Makin' love on the beach by the break of dawn  
Raise a toast, til' it's gone  
To get your rocks off baby  
To get your rocks off baby  
To get your rocks off baby  
You gotta get your rock on
