

The Chant

Bret Michaels

One, two, three, four
(Who Rules, We Rule)
Step in our house your gonna loose
(Who Rules, We Rule)
You can't hide we're coming after you

(Who Rules, We Rule)
You can shake us you can break us but we're never gonna stop
(Who Rules, We Rule)
This is our house and we're here to rock
(Hey) x 3
