

By The Sea

Brett Anderson

She can walk out anytime anytime she wants to walk out
that's fine
She can walk out anytime anytime she feels that life has
passed her
by
And when I start my new life I won't touch the ground
I'm gonna try hard this time not to touch the ground.
He can walk out anytime anytime he wants to walk out
that's fine
He can walk out anytime across the sand into the sea into
the
brine
And when I start my new life I won't touch the ground,
I'm gonna try hard this time not to touch the ground.
So we sold the car and quit the job
and shook some hands and wiped the make-up right off,
And we said our good-byes to the bank
left Seven Sisters for a room in a seaside shack,
And when I start my new life I won't touch the ground,
I'm gonna try hard this time not to touch the grounds
...it's by the sea we'll breed
...into the sea we'll bleed...
