

One Lazy Morning

Brett Anderson

Wipe the winter from your pillow
Take the cups from the machine
Vapor trails in the clear blue sky
Spell your name in Japanese

One lazy morning when life is a breeze
One lazy morning am I gonna find Jesus in me?

Does he watch me when I'm sleeping
Like a psycho on the leads?
Does he hear what I am thinking?
Does he care what I believe?

One lazy morning when life is a breeze
One lazy morning am I gonna find Jesus in me?
